WSX-25

THE NEW APEKS
WSX-25

Brand new from Apeks comes the WSX-25 sidemount harness, a feature-rich sidemount harness system which comes complete with the bladder, harness with crotch strap, D-rings, bungee and accessory butt pack.

- Constructed from super-tough Armoguard
- Unique sliding D-rings for ease of cylinder positioning mid-dive
- Unique drop attachments, angled for ease of use
- Fully adjustable to suit any diver
